- This service enables the correct condition of the boiler gas installation and/or hot water boiler to be guaranteed at all times and the heating system, including the hydraulic circuit and the radiators.
- Offer valid for piped natural gas supplies in mainland Spain and the islands of Majorca and Ibiza, with access tariffs 3.1 or 3.2. The installation and the elements thereof shall comply with existing legislation and shall be accessible.
- Periodic annual review: for servicing the different elements of the gas boiler installation and/or heater and the heating system in the household.
- **Repair service:** Free phone 900 85 86 (24h). Contact with the customer within 3h and assistance within 48h (working days). Includes travel costs and 3h of labour (if more than 3h of labour are required or a specific part, the technician will provide the customer with a non-binding estimate free of charge). Unlimited number of visits for the installation and for the gas equipment (boiler and/or heater).
- The Service is contracted for a period of one year. The established price is unique and corresponds with a one-year term, notwithstanding that it may be paid in a single amount (independently) or in instalments (together with the gas bill), if contracted together (gas and maintenance).
- For joint gas and maintenance contracts, the service activation will be subject to the concession of the distribution company's TPA for the associated gas contract.
