- This service enables the correct condition of the gas installation and hot water boiler.
- Offer valid for piped natural gas supplies in mainland Spain and the islands of Majorca and Ibiza, with access tariffs 3.1 or 3.2. The installation and the elements thereof shall comply with existing legislation and shall be accessible.
- Periodic biennial maintenance check for the adjustment of the different elements of the gas installation and the heater of the hearth, following the guidelines indicated in the regulations RITE (RD 1027/2007).
- Repair service: Free phone 900 85 86 (24h). Urgent assistance in less than 3h (365d/24h). Includes travel costs and 3h of labour (if more than 3h of labour are required or a specific part, the technician will provide the customer with a non-binding estimate free of charge). No assistance limit to both the installation and the gas equipment and the heater.
- If the customer has a joint gas and maintenance contract, it includes the cost of the Mandatory Periodic Inspection, pursuant to Royal Decree 919/2006 of 528 July, saving on average €50/60 (approximate cost every 5 years) if the gas contract is signed with Endesa.
- The Service is contracted for a period of one year. The established price is unique and corresponds with a one-year term, notwithstanding that it may be paid in a single amount (independently) or in instalments (together with the gas bill), if contracted together (gas and maintenance).
- For joint gas and maintenance contracts, the service activation will be subject to the concession of the distribution company's TPA for the associated gas contract.
